GKX-1

REPLACEABLE BUTTON PAD WITH COLOR PICTOGRAMS FOR THE APT–200, MPT–300, MPT–350 KEYFOBS

Buttons of the **GKX–1** button pad have pictograms on them that represent: full arming, night arming, disarming, and control (horizontal and vertical direction). This makes it easier to remember individual functions called from the **APT–200**, **MPT–300**, **MPT–350** remote control keyfobs.

- range of use: **APT–200**, **MPT–300**, **MPT–350** keyfobs
- pictograms:
    - full arm
    - night arm
    - disarm
    - control – horizontal direction
    - control – vertical direction
